This beautifully renovated 3-bedroom, 2-bathroom home is perfectly situated on a spacious corner lot in a fantastic location. The home features resurfaced walls and brand-new laminate flooring throughout. The expansive kitchen, which opens up to the living area, includes a cozy dining space with enough room to accommodate a freezer. Recent updates provide peace of mind, with a new roof installed in 2018, a replaced fence in 2022, an updated HVAC system in 2021, and fresh landscaping completed in 2024. In addition to the attached 2-car garage, the driveway has been expanded to accommodate three vehicles, offering ample parking for family and guests.
